

# Baby Day — Parent Dedication

## Sunday, November 13, 2016

CONGRATULATIONS on the birth of your baby! You have been entrusted with this precious gift of new life and we look forward to partnering with you as you begin your journey. Our Baby Day - Parent Dedication program gives you the opportunity to think about and invest in the most valuable things for your child's future. What kind of person do you want your child to become? Then we will challenge you to develop a plan to lead your child in that direction. It is our hope that we can partner with you as you raise your child to discover Jesus and know what it means to live out a personal relationship with Him. We want to be your biggest fans, your strongest supporters, and your trusted guides on this exciting journey.

Parents are asked to listen to 3 audio parenting talks and do the brief homework assignment for each. Then, **all parents will meet on Sunday, November 6 from 5:30-7:30** for a dinner and discussion time with the other participating parents. Together we will share our thoughts from the audio talks and homework assignments. We want to be able to focus on our discussion so we ask that you not bring any children to the dinner. If you need child care please let us know and we will help with the arrangements.

On Sunday, November 13 we will introduce the parents and babies during the 9:30 and 11:00 services (you pick one). At the end of the service parents will bring their babies onto the stage. We will pray for the families and introduce them and their babies to the congregation.

We also will display a picture of each baby on the screen during the dedication so if you are participating we will need one photo (digital preferred) of your baby.

We would love to have your family join us in this celebration.

Please fill out the attached form return it **on or by October 30**. You can drop it off at the check-in computer area on Sunday. It's important that we have the information and picture by this date so that we can include it in the service. (You can also e-mail a digital picture to [cindyo@newlife4me.com](mailto:cindyo@newlife4me.com))

Parents are required to listen to the audio talks and attend the dinner on Nov. 6 to participate. If the dates don't work for your family you can participate the the next celebration.
