

Serving Our Community

PASSIONFORCOMMUNITY.ORG

passion for
community

Passion for Community is devoted to caring for those in need by helping them in the quest for self-sufficiency.

Passion for Community provides practical household items such as new beds, furniture, and small appliances to people in crisis, the “working poor”, individuals transitioning out of homelessness, and individuals who “fall through the cracks” in the social services system. Our goal is to become a vital resource to professionals and organizations that work with the under-served population while providing service opportunities for the community at large.

There is a place for you on the Passion for Community Team!

Serve on the:

Fundraising Team: Raise money and secure sponsors in order to provide funds and resources for P4C.

Collection Team: Use your love of Freecycle or Craigslist to find needed items.

Sorting Team: Keep the warehouse organized by cleaning, sorting, and shelving items.

Pickup/Delivery Team: Pick up furniture from donors and/or help deliver items.

Client Services: Coordinate furniture pickups and deliveries with clients.

Creative Team: Maintain website/social media sites, photograph events/deliveries, update flyers/banners.

Donate:

Visit www.passion4community.org for a list of acceptable items. Contact us at info@passionforcommunity.org for drop off times or to arrange a pick-up.

Partner:

We are fully funded by donations from individuals and community partners. Your monetary donations will be used to directly help families in our community.

Network:

Help us get connected with like minded individuals, organizations, and corporations in the Northern Virginia area.
