Winter Calendar 2020

Winter is coming! Actually, winter is here! While we had a great time this fall starting off the new school year, we are really excited for what is ahead for the High School group at New Life. Home Groups, the Super Bash, and the return to Ocean City for another memorable trip are all lined up as these are all great opportunities for students to make new friendships, and connect with existing friends while hearing about the life-changing impact Christ can have on us! Check out the variety of activities happening each week at the <http://newlife.church/nstudents> and Sunday morning at the youth table.

Descriptions of Activities:

Home Groups: Most Sunday nights from 6-8 pm at different houses in the area (see below), high school students from the different schools will be able to meet up, have dinner/snacks together and talk about life and how God has a unique plan for our lives. The only time we will not meet in home groups on a Sunday night is for a special event or holiday break.

nStudents Breakfast: On January 12th, as a way to welcome back all the students from a busy holiday season, we are doing another breakfast morning where the nStudent leaders will be serving breakfast all morning long. Bagels, pancakes, fruit, yogurt and lots of BACON are just some of the items the students will be able to have. We will start at the 8 am service and wrap up after the 11 am service. Whether teens are active in the student ministry or not, we hope every student comes out and has some yummy breakfast!

Super Bash: Our Annual Super Bash will feature the Super Bowl shown throughout the nZone, but will also consist of prizes and giveaways, use of the fields and basketball courts, and plenty of other “non-football” things to do! Oh, and did we mention there will be tons of food, fun, and GIVEAWAYS as well? It’s the CAN’T MISS Super Bowl party in the area for teens, so feel free to invite some friends to come along with you!

Ocean City Weekend: Last year was a memorable trip in our first year going to Ocean City with the high school students. This year will be much of the same as we have an exciting weekend planned, filled with fun times and a life changing message. Friends, the beach, and a weekend full of hope...what more could you ask for on a weekend?
