

Blinky's Family Challenge

I trust God ... even when things look bad!

Joseph's Story

God gave Joseph dreams about the good plans he had for Him. Even when bad things happened, God stayed with Joseph and made the good plans happen.

You'll Need

- Bible

Directions

1. Read Joseph's story in the Bible together. "The Dreamer" and "Dreams Come True" in the Bible App for Kids tell Joseph's story.
2. When something good happens say, "That's God's good plan!"
3. When something bad happens say, "We still trust God's good plan!"
4. Help your kids understand good things and bad things happen, but we always trust God is working out His good plan.
