

Parent Commitment Sunday

Sunday, February 1

Families, you have been entrusted with this precious gift of parenting and we look forward to partnering with you on your journey.

Our Parent Commitment program gives you the opportunity to think about and invest in the most valuable things for your child's future. What kind of person do you want your child to become? We will challenge you to develop a plan to lead your child in that direction. It is our hope that we can partner with you as you raise your child to discover Jesus and know what it means to live out a personal relationship with Him. We want to be your biggest fans, your strongest supporters, and your trusted guides on this exciting journey.

Participating parents are asked to listen to 3 audio parenting talks and do brief homework assignments. Then, all parents will meet at the nZone on Sunday, January 25th, from 12:30pm-2:00pm for a lunch and discussion time with the other participating parents. Childcare will be provided. Together we will share our thoughts from the audio talks and homework assignments.

On Sunday, February 1st we will introduce the parents and kids. At the end of the service parents will bring their children onto the stage. We will pray for the families and introduce them and their kids to the congregation.

We also will display a picture of each child on the screen during the introduction so if you are participating we will need a digital photo of your child. You can email it to daniellew@newlife.church.

We would love to have your family join us in this celebration but if you are unable to attend both the lunch and discussion on January 29th and the celebration on February 1st, you can participate in the next celebration that will take place in the spring.

Please fill out the attached form. You can drop it off at the check-in computer area on Sunday or email it to daniellew@newlife.church. It's important that we have the information so that we can prepare for the lunch.

We greatly look forward to walking alongside you!
